03

S&R Cornelissen reduced all the benefits of one light to the maximum; its atmospheric panel light makes BEBOW equally ideal for the workplace and the home dining table.

Designed by S&R Cornelissen

BEBOW

SURFACE SUSPENDED
3000K
LED 35W / phase-cut dim
white / black

"Ello demonstrates that it's perfectly possible to combine highly functional, flexible lighting solutions with expressive design."

S&R CORNELISSEN
Award-winning international designer

01

The ROCK COLLECTION is a cooperation between Wever & Ducré and the design studio I3&9, featuring luminaires made of ultra-thin natural shale - every piece is one of a kind.

Designed by I3&9

ROCK COLLECTION

WALL CEILING SUSPENDED FLOOR TABLE
E27 max. 100W
autumn white / multicolour / silver shine / simple black

"The Rock Collection exemplifies a unique piece, a sensual experience, and a new interpretation of shading solutions."

MARTIN LESJAK
Contract magazine's 2015 Designer of the Year
Co-founder and Creative Director of I3&9

ELLO

SURFACE SYSTEM SUSPENDED SYSTEM
3000K
LED 18W / phase-cut dim
white / black

02

Only thanks to LED technology was it possible for S&R Cornelissen to design such a sleek-profile light that cuts a fine figure over office table and dining table alike.

Designed by S&R Cornelissen

05

A true modern classic! Inspired by the design of industrial factory lighting from the 1930s, BISHOP looks as if it is made of concrete. But thanks to the special composite material, it only weighs a fraction of the material it imitates.

Designed by 3HDraft

BISHOP

SUSPENDED
E27 max. 25W
dark grey / white / black-gold

VENN

WALL CEILING SUSPENDED
3000K
LED 30-47W / phase-cut dim
white / black

07

VENN represents functional design that turns heads: three interconnected square elements that can provide direct and indirect lighting, combinable on the wall and ceiling or in a suspended configuration.

Designed by S&R Cornelissen

CYCLONE

SUSPENDED
3000K
LED 70W / dali dim
opal / aluminium powder coated

04

CYCLONE, which is cast from a single piece, provides optimal lighting for very large areas such as lobbies and industrial buildings thanks to its uniform LED illumination.

Designed by S&R Cornelissen

COPPER COLLECTION

WALL CEILING SUSPENDED
round / square / soft / hexo
2700K / 3000K / 1800-2850K
LED 8W / phase-cut dim
white / aluminium / gold / bronze / copper / black

06

HEXO, DOCUS, RAY, and BOX are available not only in round, square, soft, and hexagonal designs, but also in gold, black, white, bronze, aluminium, and now in copper too!

Designed by 3HDraft

08

Wire at its most refined. Bernd Steinhuber reduced the light fixture to its essentials. Available in black or a trendy rust finish, this light lends a unique design accent.

Designed by Bernd Steinhuber

WIRO

SUSPENDED
QA60 max. 60W / E27
rust / black

"Perfect in its imperfection. That's how real things are. That's how life is."

BERND STEINHUBER
