B A R C E L O N A

Los que vivimos cerca del Mediterráneo conocemos todos los matices de la luz.  
Por eso cuando llega la noche la transformamos en pequeños espacios de día.

Wir, die in der Nähe des Mittelmeers leben, kennen alle Abstufungen des Lichts.  
Wenn die Nacht kommt, verwandeln sie in kleine Punkte des Lichts.

Those of us who live near the Mediterranean know all the nuances of light.  
For this reason, when night comes, we transform it into little spacelets of day.

Mediterraneotik gertu bizi garenok ondo ezogutzen ditugu argiaren nabardura guztiak.  
Horregatik, goua datorrenean egun bihurtzen dugu gure argi-gune txikien bitartez.

Ceux qui, comme nous, habitent près de la Méditerranée connaissent toutes les nuances de la lumière.  
C'est pourquoi à la nuit tombée, nous la transformons en petits espaces de lumière.

Os que vivimos à beira do Mediterráneo conhecemos todos los matices da luz.  
Por isso ao chegar a noite transformá-mos-la em pequenos espaços do dia.

Noi che viviamo vicino al Mediterraneo conosciamo tutte le tonalità e le sfumature della luce.  
Per questo quando cala la notte, la trasformiamo in piccoli spazi del giorno.

Quem vive perto do Mediterráneo conhece todas as nuances da luz.  
Por isso, quando chega a noite, transformamo-la em pequenos espaços de dia.

Lluís Porqueras

ES que vivim prop de la Mediterrània,  
coneixem tots els matisos de la llum.  
Per això en arribar la nit la  
transformem en petits espais de dia.

Lluís Porqueras

3229500 BLANCO / WHITE

Inclusión de tubos fluorescentes (2x28W) ya instalados en el interior de la luminaria.  
Supply fluorescent tubes (2x28W) already installed inside the luminaire.

La fuente de luz esta protegida por una pantalla de Polietileno (Temperatura de uso: -40°C a +70°C)  
Light source is protected by a Polyethylene shade (Operating temperature: -40°C to +70°C)

### Fijación a suelo:

La lámpara de pie puede fijarse al suelo retirando los tapones de goma que se encuentran en la base.

### Fijación a suelo con salida de cable empotrado:

En este caso el cable utilizado debe ser de goma o superior tipo HO5RN-F de entre 6 y 8 mm de diámetro.

### Fixing on the floor:

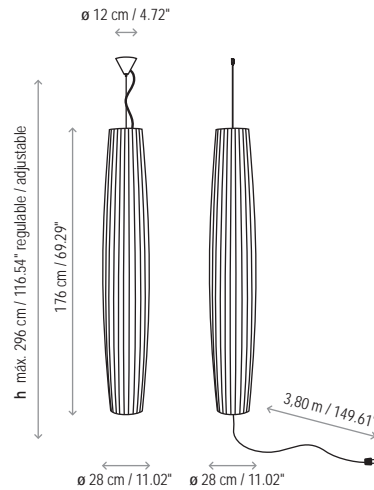

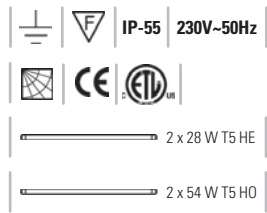

The floor lamp can be fixed by removing the rubber stoppers placed on the foot base.

### Fixing on the surface with built-in wire:

In this case, wire should be made out of rubber type HO5RN or superior, with a diameter between 6 and 8 mm.
