ДОПОЛНЕНИЕ

Пульт дистанционного управления для бытовых светильников с функцией таймера, RC01-00-03

- Дальность действия: 30 м в открытом пространстве
- Напряжение: 220-230В
- Диапазон рабочих температур: не более 85°C
- Характеристики батарейки для передатчика (пульт): 1x12В, 23А
- Количество каналов: 3
- Мощность одного канала не более:
 - 1000 Вт при использовании ламп накаливания
 - 300 Вт при использовании энергосберегающих ламп
