## SELO

**SUSPENDED**  
LED 8W / 220-240VAC / PCB 3-step ambient white dim / 1800-2850K porcelain white optional single ceiling base optional multi ceiling bases

This delicate lamp made of porcelain features a downright delicious look. And it does just as well in the kitchen as in the bedroom, because its light colour temperature (1800-2850K) can be adjusted flexibly.

SHIEK bathes every room in golden light. And not just in the morning, because gentle mood lighting (1800-2850K) pours forth from the minimalist funnel shape at any time of day, illuminating your favourite spot.

Designed by 3H Draft
